> Dear Mr Williams,

>

> I am writing on behalf of the Cleaner Bentham Group which was formed after the revelation of the PFA issues in the Guardian in and around the Angus Fire Site here in Bentham.

>

> As a group we will be instructing a firm to carry out some independent testing for PFAs in the near future of over 20 locations in and around Bentham.

>

> I am writing on behalf of the group as concerned individuals of our community, to see if Angus Fire will allow our independent testers on Angus's Site to test locations for PFAs?

>

> We will of course share the findings with Angus Fires Corporate management team as well as Publicly, with our group and other Environmental groups in the region.

>

> Thank you for your time,

>

> Yours Sincerely,

>

> > The Cleaner Bentham Group
